## A Message from our President & CEO

Dear Friends:

Another year has already come and gone, and it's time for the Annual Report! At the beginning of the year, it seems to start out slowly and then in a blink, summer is gone, fall is upon us and it's time to celebrate the holidays again!

In 2022, I had the privilege of continuing to welcome guests, program participants, funders, staff, volunteers, and donors to CMI and the work we do on behalf of the Niagara County community. The year has been filled with exciting new things for us at CMI as we welcomed new programming, expanded other services, and opened our doors once again to over 13,000 nights of care in our emergency shelter to otherwise homeless individuals and provided over 218,000 meals to those with food insecurity in our community.

This Annual Report gives the reader a snapshot of what this organization does in a year's time, and how we service those who are most in need. Many people deal with one or two programs, but understanding the breadth of service available in Niagara County is our goal each year. All of these services would not have been possible without the support of our contract funders, staff, volunteers and donors who support the vital work in this community motivated by their care and concern for their fellow human beings. The relationships built over this year have been immeasurable and continue to sustain the work of CMI and those we serve.

In a few short years, we will celebrate our 100th anniversary here in Niagara County. So many have and continue to depend on CMI for a lifeline in their time of need. How fortunate that we are able to offer them assistance and help toward a renewed, chosen, and more stable path. We give thanks for all those who work with us to make the path a reality. Our report offers you a road map to how this path is secured in Niagara County for those who come to our doors! Thank you!

Robyn L. Krueger, President & CEO

## About Community Missions

Established in 1925, Community Missions of Niagara Frontier, Inc. is dedicated to providing individuals and families with an opportunity to discover and find their place in the world. With 23 human service programs offered to individuals and families, our services focus on helping vulnerable people reach find and elevate their place in the world.

Working together with the community, we can help to provide those in need with the resources to implement change for a brighter future. Our goal is to not only meet the basic needs of food, shelter, and clothing, but to transform lives. We do this work through programs based in four divisions, Crisis & Community Services, Mental Health Housing Services, Mental Health Recovery Services, and Youth Services.

## Our Mission

Community Missions provides integrated human services that meet people where they are and help them find and elevate their place in the world.

## Our Vision

Community Missions will be Western New York's leading integrated support organization.

## Our Values

- **Compassion** - Awareness of and empathy for challenges that do not define a person but lead to growth and development
- **Integrity** - A foundation grounded in the dignity of all persons characterized by an atmosphere of trustworthiness, honesty, and a sincere desire for excellence and ethical behavior
- **Respect** - Conduct that demonstrates regard for an individual's path of self-determination
- **Spirituality** - From our Christian foundation, our belief is that everyone benefits from spiritual growth. We enhance a person's spiritual growth and wholeness in the tradition of their choice
- **Commitment** - Assuring the development and implementation of strength-based interventions, communications, and practices that promote individualized and comprehensive services that are resourceful and effective
- **Accountability** - Reliable behavior and actions that display a commitment to identify and enhance each person's self-defined potential
- **Teamwork** - Collaboration designed to creatively and professionally support positive and measurable outcomes

## From Our Statement of Faith

As a Christian agency, our chosen role in terms of religion and faith is to express our belief that everyone benefits from spiritual growth. We will provide resources, programs, and community linkages, without proselytizing, that will enhance spiritual growth and wholeness in the faith/spiritual tradition of an individual's choice and support them as they seek to grow in that tradition.

- **Clothes Closet**
- **Furniture Giveaway**
- **Mark's Place  
(HIV/AIDS Residence)**
- **Parole Re-Entry**
- **SNUG Niagara Falls**
- **Rapid Re-Housing**

## DID YOU KNOW?

- *According to the most recent US Census data, 44% of Niagara Falls residents live with an income below 200 percent of poverty level, for which a family of three would be \$49,720.*
- *The federal poverty level for a family of three is \$24,860, and for a family of four is \$30,000. In Niagara Falls, 31.9% of families with children fall below this.*

## Crisis & Community Services

Dating back to its founding in 1925, Community Missions has been a source of help for the vulnerable populations of Niagara Falls and Niagara County. Crisis & Community Services is dedicated to restoring the fundamental basic human needs of food, shelter, clothing, and safety to all persons and families in crisis in a way that assists beyond the immediate need. We seek to empower people through respect and caring to promote human dignity, personal accountability, and self-sufficiency.

Today, these programs make Community Missions the largest private provider of basic human needs in Niagara County. Current offerings include housing and assistance for individuals experiencing homelessness (to also include individuals recently released from incarceration and those with HIV/AIDS), and wraparound services for community members that may be struggling to make ends meet (including help with food, clothing, and furniture.)

*In October, Community Missions hosted its Inaugural Fall Fiesta. Among the activities at this family-friendly community event were pumpkin decorating, carnival games, and a lot of food. In addition, halloween costumes and other resources were provided to those in need.*

## Youth Services

Youth Services serves the local at-risk populations of youth and young adults under the age of 25 who may be juvenile justice involved, emotionally challenged, and/or homeless in Niagara County. Staff provide a professional, nurturing, and supportive structure to allow youth and their families to achieve the most desirable and appropriate level of family reintegration. We provide guidance and encouragement for youth to recognize their full potential and to accept responsibility for their decisions and actions.

The programs offered through Youth Services feature an array of target populations. Aurora House serves up to eight youth diagnosed as severely emotionally disturbed in a residential setting in Eastern Niagara County. Girls Circle provides in-school programming to young women in grades 5-8 in the Niagara Falls City School District. Family Solutions Program provides family counseling sessions in both Niagara Falls and Lockport, while Juvenile Supported Case Management (JSCM) works with the Niagara County Department of Social Services to provide service coordination, supervision and support to youth ages 10-17. The newest offering is Falls Street Station, a Youth Homelessness Demonstration Project serving youth and young adults experiencing homelessness.

*During the holidays, McDermid Financial Group supported Aurora House by providing brand new toys for youth in the program. The relationship began a number of years ago, thanks to a connection with our Family Peer Advocate, Michael Powers. They have supported the program in a number of ways through the years, including donations of a propane grill, kitchen items, and lawn decorations.*

## PROGRAMS

- **Aurora House - Youth Community Residence**
- **Falls Street Station (YHDP)**
- **Family Solutions Program (FSP)**
- **Girls Circle**
- **Juvenile Supported Case Management (JSCM)**

## DID YOU KNOW?

- *According to the Homeless Alliance of Western New York, at least 110 youth and young adults (ages 13-24) experienced homelessness in Niagara County in 2021.*
- *One in six youth aged 6-17 experience a mental health disorder each year, according to the National Alliance of Mental Illness (NAMI).*

## PROGRAMS

- Hansen House - Supervised Community Residence
- Canal View - Supervised Community Residence
- Apartment Treatment Program
- Supportive Housing

## DID YOU KNOW?

- It is believed that at least one quarter of America's homeless are seriously mentally ill, while 45% have some form of mental illness.
- Fifty percent of Americans will meet the criteria for a diagnosable mental health condition sometime in their life, while half of those people will develop conditions by the age of 14.

## Mental Health Housing Services

Mental Health Housing Services (CHOICES) provides an enriching and supportive living environment for those who experience mental illness. The goal of all its programs is to assist residents/tenants in reaching their maximum potential for independent living. The programs receive funding from the Niagara County Department of Mental Health and Substance Abuse.

Its programs are transitional in nature (with the exception of Supportive Housing, which is permanent) and have a recovery focus. Clients are expected to participate with program staff in developing a service plan and working on goals and objectives that will assist them in living successfully in the community.

CHOICES provides an alternative to prospective residents/tenants who may benefit from more independent living. These services include a pair of Supervised Community Residences in Canal View (12-bed facility in North Tonawanda), and Hansen House (10-bed facility in Niagara Falls). Other programs include a 62-bed Apartment Treatment Program, which has 30 beds on-site in Niagara Falls and 32 beds in the community, and a Supportive Housing program that assists up to 135 individuals living in the Niagara County community of their choice.

Since 2015, Community Missions has benefited from the “Stuff the Sneakers” Drive, held annually in tribute to Danny Frawley. Each year, the community donates bags filled with shoes, hygiene products, snacks and encouraging notes for distribution to local organizations. This picture was taken at St. John Vianney Catholic School in Orchard Park, where they prepared over 120 bags for those we serve!

## Mental Health Recovery Services

Mental Health Recovery Services is dedicated to providing a recovery-oriented, community-based and restorative environment for people experiencing the effects of psychiatric challenges. We believe that individuals with mental illness have the potential, with proper support, encouragement, opportunity, and time, look forward to and achieve a fuller participation in community life. The programs receive funding from the Niagara County Department of Mental Health and Substance Abuse.

The division currently operates four unique programs. Niagara Visions PROS is a day program located in Niagara Falls for as many as 105 individuals who work to achieve self-directed goals. Respite services are offered both in Niagara Falls and Lockport. In Lockport, they are co-located at Hope House, a hospital diversion program serving Eastern Niagara County. Hope House also houses a Recovery (Warm) Line, providing face-to-face meetings and/or phone support to prevent the onset of a mental health crisis. Transportation Services provide for the transit of individuals with psychiatric challenges within Niagara County for day programs, medical and rehabilitation appointments, and other necessary stops.

*In June, we received a visit from Jahkil Jackson of Chicago, representing his Project I Am. He spoke at Niagara Falls High School, and wanted to bless us while in town. Jahkil was acknowledged as one of three influential people of 2017 by President Barack Obama and the Obama Foundation. He was also honored as a CNN Hero Young Wonder, and was named a "Social Entrepreneur to look out for" by Forbes. At only 14, he has distributed over 80,000 blessing bags across the world.*

## PROGRAMS

- **Niagara Visions PROS**
- **Hope House - The Peer Recovery Respite Center**
- **Niagara Falls Respite Services**
- **Transportation**

## DID YOU KNOW?

- *One in five American adults will experience mental illness in any given year.*
- *Less than half (47.2%) of adults in the United States with a mental illness received treatment in 2021, according to the National Alliance on Mental Illness (NAMI).*

## Central Services

Central Services at Community Missions incorporate all of the operations that serve the entire agency and its programs. These include functions like Finance, Human Resources, Fundraising, Public Relations, Volunteer Management, and Faith & Community Partnerships.

Community Missions believes in caring for the whole person. This includes providing assistance and care for spiritual needs. To meet the agency's aim of nurturing and supporting spiritual wholeness in those we serve and our staff, faith opportunities are integrated into all CMI program areas. To accomplish this, we strive to create voluntary and meaningful opportunities to promote spiritual wholeness. These efforts are supported by our full-time Agency Minister, who provides pastoral and theological leadership in matters of faith and religion across CMI.

Volunteer opportunities at Community Missions include those lasting one day, one week, one semester, ongoing, or something in between. Throughout the year, Community Missions entertains many different groups and hundreds of individuals looking to give back to their community in a meaningful way. In addition, high school youth groups and college groups visit Community Missions several times each year, looking to combine community service and a fun sightseeing trip.

Crisis Services	\$ 1,343,013
Agency Overhead	\$ 1,561,214

**Total Expenses** **\$ 9,400,814**

## 2022 Fundraising Events

## CMI Launches Gratitude Campaign

An idea from a Board member took on life, as Community Missions launched a Gratitude Campaign in 2022. The effort was spearheaded by the words of Sister Beth Brosmer, OSF, a member of the newly re-energized Community & Religious Services committee. In brief, she said that with all of the difficulties in the world, she has decided to make a simple change by thanking those often taken for granted, and to say she appreciated the good they were doing for our community.

In 2022, CMI held events to show gratitude to postal workers, mental health workers, and the Niagara Falls Department of Public Works (pictured at right.)

## Deposits 4 Food Initiative Raises \$100,000

In August 2013, Lewiston resident Angelo Sarkees put into action an idea that he had for some time. A recent retiree, Sarkees began collecting bottles and cans at the Lewiston Jazz Festival, with the idea of turning them in to raise funds for local Niagara County food pantries. So began his “Deposits 4 Food” initiative.

Nearly nine years later, Sarkees presented checks to Community Missions and Heart, Love and Soul in April 2022, bringing his total donations to more than \$100,000. The donations were made in honor of Earth Day, in recognition of his efforts to keep these items out of landfills or in the environment.

“It breaks down to \$45,000 that I’ve given each to Community Missions and Heart, Love and Soul, and \$5,000 each to the Wilson Community Food Pantry and Care N Share Pantry in Ransomville,” Sarkees said at a press conference celebrating his work.

## Remembering Don Luce

On November 17, 2022, Don Luce, who served for 20 years as our Director of Public Relations & Development, passed away at his home in Niagara Falls. Don joined Community Missions in 1998 and retired in November 2018. He made countless friends along the way. He spent his life aiding and advocating for those in need, both near and far. He literally made an impact around the world, and truly embodied our motto of #CompassionInAction.

In 1958, during the Vietnam War, Luce traveled to Vietnam and served as an agriculture expert and aid worker for the International Voluntary Services, a precursor for the Peace Corps. During his time in Vietnam, he was widely known as an activist who was a true threat to the South Vietnamese military predominantly for uncovering the mistreatment and torture of many war prisoners. After being expelled from the country in 1971, he continued to battle corruption, poverty and oppression around the world. In the 1980’s, he directed humanitarian work throughout Asia, raising awareness and money for HIV.

Following his efforts in Asia, Don relocated to Washington, DC, and served as the Director of International Voluntary Services until 1997. He then taught Sociology at Niagara County Community College for two years, before joining CMI. He is survived by his beloved husband, Dr. Mark Bonacci.

## Donor List

*It is with tremendous gratitude that we proudly list those that have supported our efforts in 2022. We pride ourselves on enabling the community to help the community, through donations, referrals, or other means. We truly could not provide the services that we do without the tremendous community support shown in the following pages!*

## Foundation Support

*Each year, many local foundations support the efforts of Community Missions, whether for capital improvements, program, or general operating support. As with the donors listed in the pages before, the impact made by Community Missions would not be nearly as profound with such support. It is with gratitude that we recognize the following philanthropic organizations for their support in 2022.*

**EVANS-DEVEREUX  
MEMORIAL FUND**

**M&T Bank**

**RUTH HUPPUCH BEQUEST  
ORCHARD PARK  
PRESBYTERIAN CHURCH**

## Volunteers

*Volunteers are the engine that makes so many of Community Missions' programs run at full capacity. Each day, those volunteering their time can be found in the Community Kitchen, Clothes Closet, Food Pantry, and throughout other programs that directly impact the lives of those in need. A sincere thank you goes to the following volunteers that gave more than 50 hours of service in 2022, and to the hundreds of other volunteers that passed through our doors last year!*
