Caring For Creation Presentation: “Is Christianity Good News for the Environment?”

Everyone is
welcome at this
FREE Community Event.
Refreshments
will be served.

Date: Wednesday, August 31, 2016

Time: 7:00—8:00 PM

**St. James United Methodist Church
4661 Porter Road, Niagara Falls, NY**

Description: Christianity provides a moral compass for life and living, yet often fails to respond to the responsibility to care for creation. Does the tradition have nothing say on environmental matters or, are we not hearing and applying what is said?

Speaker: Rev. Daven Oskvig, Senior Pastor at Kenmore United Methodist Church and Adjunct Professor in Canisius College’s Department of Religious Studies.
